

**Looking forward to Springtime, 2004?  
Think Again.**

**By this coming Spring, 2004, there will be  
BULLDOZERS in Woodberry,**

tearing down trees, flattening the hills, and building a private  
playground, 71-acre Sports Complex for Loyola College.

The construction would take four years to complete.

We want to stop it.

**THIS IS AN URGENT CALL FOR ALL COMMUNITY  
LEADERS TO ATTEND THIS MEETING.  
WE WILL BE PLANNING A TOWN FORUM for the  
concerned citizens in and around Woodberry.**

If you are a community leader and live on or near Greenspring  
Avenue, Druid Park Drive, or West Coldspring Lane, it is  
important to be informed about what is planned by the city  
government, the developers, how it will impact your home and  
your community, and what YOU can do to help  
make this Town Forum a success.

**We will meet at Emerald Estates Assisted Living  
Facility on SUNDAY, January 11<sup>th</sup> at 2:30 in the  
afternoon for not more than 1 hour.**

Emerald Estates is located at 3825 Greenspring Avenue  
on the old Children's Hospital property. There is plenty of parking.

**CALL 410-516-8853 for more information and to confirm your attendance.**

Loyola's sports complex would include:

- A 6,000-seat stadium – ONE HUNDRED FEET HIGH!
- Stadium lights, noise, and traffic WITH MORE ACCIDENTS
- Concerts, alcohol, late night games, and tailgating
- Loss of our precious public green open space, our trees and wildlife
- Lower property values
- Risk of exposure to toxins in landfill from construction

**Mayor O'Malley and the city council  
SUPPORTED LOYOLA, against the wishes of  
the community.**

**They refused to support the community, even though  
O'Malley's campaign slogan was "Neighborhoods First."**

You may want to speak to your City Council Representatives  
of the 4<sup>th</sup> and 5<sup>th</sup> District.

**SAVE  
WOODBERRY, GREENSPRING  
& COLDSRING**
